P.O.R.T.  
Paranormal & Occult Research Team

## **To do before investigation begins:**

- Leave cell phones at Command Central in either silent mode, vibrate mode or off
- Power down as much as possible of the site we're investigating
- Have pets removed from site of investigation
- Have occupants removed from site of investigation
- Make sure any battery powered devices are turned off at site
- Verify all equipment is *still* fully charged & functioning
- Equipment is secured
